Catholic Home Mission Appeal

April 25, 2021

Support the Catholic Home Missions Appeal this weekend! Over 40% of dioceses in the United States and its territories are considered mission territories, because they are unable to fund essential pastoral activities needed in their communities. Your support funds religious education, seminary formation, lay ministry training, and other programs that build vibrant faith communities right here in the United States. **FYI:** The loose plate goes to this appeal.
