**Graduation Prayer: *The Road Ahead!*** My Lord God, I have no idea where I am going. I do not see the road ahead of me. I cannot know for certain where it will end. Nor do I really know myself, and the fact that I think that I am following your will does not mean that I am actually doing so. But I believe that the desire to please you does in fact please you. And I hope I have that desire in all that I am doing. I hope that I will never do anything apart from that desire. And I know that if I do this, you will lead me by the right road though I may seem to be lost in the shadow of death. I will not fear for you are ever with me, and you will never leave me to face my perils alone. *Thomas Merton*
